A SALUTE TO THE SUSTAINABLE STYLE...

FASHIONTRENDS Australia is proud to support The Spirit of the Black Dress... a major attraction of the 2012 L'Oréal Melbourne Fashion Festival's revered Cultural Program. Entering its fourth year, the TSotBD is a Fashion, Textile, Photography and Short Film Exhibition that showcases the most original work in Australian sustainable fashion. The TSotBD creates valuable exposure for a new breed of designers that are shaping fashion's highway with unstoppable glamour and intelligent design.
